

May Our Hearts Turn Towards Ma'at

Dua Sekhmet-Hathor,
Oh Great Goddess in this your name of Nesret,
Burn not with anger towards us,
But burn with love,
As our eyes turn towards Ma'at.

May our hearts turn towards Ma'at,
Kheperu, kheperu, kheperu, kheperu.
We are becoming....

With each new day,
May we become more loving,
More pure of heart,
More close to you.

Ptah, who loves you,
Grant that our hearts be peaceful.
Oh Great Ptah,
Lord of Ma'at (Neb Ma'at),
Wash away hate,
Wash away hate,
May its seeds not grow in our hearts.
But may love flourish.

May the flame of love grow.
The Flame of our Creator is within us,
Enabling this transformation.
Kheperu, kheperu, kheperu, kheperu.
Our hearts are turning towards you.
Dua, dua, dua, dua.
